Enrolment at Inglewood School is governed by an enrolment scheme, details of which are available on the school website or from the school office.

The board is now inviting applications from parents who wish to enrol their children at Inglewood Primary School starting within Term 1 2023.

All **applications must be received** by 3pm Monday 23 January for Term 1 2023. If a ballot for out of zone places is required, it will be held on Wednesday 25 January 2023. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

The board has determined that 20 places from Year 1-8 are likely to be available for out-of-zone students within Term 1 2023. The exact number of places will depend on the number of applications received from students who live within the school's home zone. Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately.

The application form for enrolment is available from the school website, or from the school office.

Please note, that if the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

Details relating to the next enrolment period Term 2 2023 will be published March 2023.
