This year, teachers have decided to purchase all exercise books we use for learning and give them to all students on the first day of term. This ensures that all students have the correct books.

The following stationery cost will be charged to your child's account at the beginning of the year. - \$28.60.

All students will be required to wear an IPS school shirt for sporting events and school trips. If you wish to purchase your own, these are available from the school office. The school will issue shirts to children who do not have one with a bond of \$20 per shirt. The bond will be refunded when the shirt is handed back into the school office at the end of the year.

Please note: Any extra stationery will be available for purchase throughout the school year from the office.
