

2026

Enrolment at Inglewood School is governed by an enrolment scheme, details of which are available on the school website, the website Education Counts, or from the school office.

This year there will be four enrolment dates. Dates are summarized below.

The board has determined that 20 places from Year 1-6 are likely to be available for out-of-zone students within each term. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

The application form for enrolment is available from the school website, or from the school office.

Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for 2026.

Please note, that if the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

All applications **must be** received by email to [office@inglewood.school.nz](mailto:office@inglewood.school.nz) by 3pm on the dates listed below.
